

James 1:20

The anger of man does not achieve the righteousness of God.

Numbers 20:1-13

How does anger point to some deeper issues? When you discover these “deeper issues,” what should you do?

Do you have any complainers around you? Is it you?

Have you ever lashed out in anger (passive aggressive or other) to defend yourself?

How does Jesus satisfy your every longing? What does looking to Jesus have to do with anger?

How is God calling you to trust Him today?
